

**A ROAD IN THE RIGHT DIRECTION!**

# Project Update

A publication of San Bernardino Associated Governments

San Bernardino Associated Governments (SANBAG) is a county-wide coalition of elected officials that coordinates regional issues, and is responsible for transportation planning, financing and related programs.

The Route 30/210 project is a partnership between SANBAG and Caltrans.

Both agencies share responsibility for the funding, design and construction of the new freeway.

Volume 4, Issue 3

September, 2002

## Come Play on the Freeway!

**SATURDAY, SEPTEMBER 28 FROM 7 A.M. TO 1 P.M.**

You are invited to **COME PLAY ON THE FREEWAY** in celebration of the near completion of Route 210 Freeway construction. Bring the whole family on **Saturday, September 28 from 7 a.m. to 1 p.m.** SANBAG, Caltrans and the cities of Upland, Rancho Cucamonga and Fontana will host the celebratory event. The National Charity League is also a sponsor of the event and is helping to raise money for the House of Ruth through a run/walk/ride event and car show.

The event is taking place on the freeway near the Euclid bridge with cars entering at Mountain Avenue in the City of Upland (see map on the inside for directions).

The purpose of this celebration is to allow all the residents and businesses in the surrounding communities to come and share in the excitement of this historic occasion. Once open,

*The state-of-the-art paving machine creates the new State Route 210 freeway lanes.*

the new freeway will stretch 20 miles through the cities of La Verne and Claremont in Los Angeles County; and Upland, Rancho Cucamonga and Fontana in the County of San Bernardino. The remaining eight miles is beginning construction later this year in Rialto and San Bernardino and is scheduled for completion in 2006.

# ***BRING THE WHOLE FAMILY!***

This is a family event not to be missed. We will be having lots of activities, including a 5K run and walk, 10K run and walk, munchkin mile for the young ones and a 15-mile and 30-mile bike ride. But the fun doesn't end there! We are also having a car show, so polish that classic or hot-rod and come display it for everyone to see. There also will be live entertainment and plenty of food. Kids also will have plenty to do with bounce houses, games and other activities planned. Free goodie-bags will be given to the first 2,000 people who attend, so don't be late.

We are starting at 7:00 a.m., so come out early. The *Daily Bulletin* will be on sale and we'll have plenty of food vendors for your morning breakfast, lunch and snacks. We also will have a pancake breakfast. This is your only chance to **COME PLAY ON THE FREEWAY!** So put September 28th on your calendar and don't miss it!

## ***FREEWAY CONSTRUCTION IS NEARING COMPLETION***

While SANBAG is planning the celebration of the freeway opening, the final touches on the construction are under way. The paving operation continues in Rancho Cucamonga, and the on and off-ramps are still being configured and connected to the local streets. Over the next month, many of the safety elements, signage and striping will be installed.

The official opening of the freeway to motorists is tentatively scheduled for late October. However, a storm drain project underway at Lemon Avenue will remain ongoing. The freeway opening also will include some temporary lane reductions through parts of Rancho Cucamonga and the delayed opening of the new Campus on and off-ramps.

*Storm drain construction along Lemon Avenue will begin later this month and is scheduled for completion in late September.*

# SCHEDULE OF EVENTS

- 7:00 a.m. Registration
- 8:00 a.m. Bike ride start
- 8:30 a.m. 5K run start
- 8:45 a.m. 10K run start
- 8:50 a.m. Ceremony
- 9:10 a.m. 5K walk start
- 9:15 a.m. Project Video  
(replayed every hour)

## ***EVENT TIPS***

Please come prepared to have a good time on Saturday, September 28th, as SANBAG hosts **COME PLAY ON THE FREEWAY**. The weather will more than likely change during the event, since we are starting early and finishing early afternoon.

Dress in layers to be comfortable. If you are participating in the run/walk/ride events, bring a change of clothing, your sunscreen and water!

Don't miss it!!

A new hotline has been established  
for the upcoming SR210 construction in  
Rialto and San Bernardino.

Please call:

**(866) HELP-210**

## **Temporary Road Closures**

- Campus between 19th and 20th
- Highland between Archibald and Hermosa
- Intersection of Lemon and Amethyst  
(intermittently during the summer due to storm)
